

**LIST OF  
MEETINGS**

**1959**

## NOTE.

Earnest requests have been made that letters of commendation should have the name and full address of the Room in which the person commended is meeting, as well as the one being visited.

It is helpful to the brethren if letters of commendation directed to countries other than those speaking English, are written, if possible, in the language of the country and typed, or at least, the names of the persons and towns written in block capitals. The latter suggestion may well be applied to all letters of commendation.

It is preferable that all communications may be by letter, not by postcard.

Alterations to be included in the next issue must be received by the end of the year.

Applications for information as to the meetings abroad and addresses of brothers in any meeting, also notices of alteration in addresses and times of meetings and addresses of brothers (which it is requested may be promptly notified), should be addressed to—

W. H. TROWBRIDGE, 66, BEACON ROAD,  
LOUGHBOROUGH, LEICS. (Tel.: 3052)

1959

This List is issued for **Private Circulation Only** by  
The Stow Hill Bible and Tract Depot,  
2, Upper Teddington Road, Hampton Wick,  
Kingston-on-Thames.

Alterations in the addresses of brothers responsible for the distribution of these lists should also be notified direct to the Depot.

*In places where there is more than one meeting, the Lord's Day afternoon reading is held in some cases at different Rooms. In other instances the reading or gospel on Lord's Day is not held regularly—these are marked with an asterisk. In both cases inquiry should be made.*
