

*Mr. Ruan*

**LIST OF  
MEETINGS  
1963**

## NOTE.

Earnest requests have been made that letters of commendation should have the name and full address of the Room in which the person commended is meeting, as well as the one being visited.

It is helpful to the brethren if letters of commendation directed to countries other than those speaking English, are written, if possible, in the language of the country and typed, or at least, the names of the persons and towns written in block capitals. The latter suggestion may well be applied to all letters of commendation.

**It is preferable that all communications may be by letter, not by postcard.**

Applications for information as to the meetings abroad and addresses of brothers in any meeting, also notices of alteration in addresses and times of meetings and addresses of brothers (which it is requested may be promptly notified), should be addressed to—

W. H. TROWBRIDGE, 66, BEACON ROAD,  
LOUGHBOROUGH, LEICS. (Tel.: 3052)

1963

**This List is issued for Private Circulation Only by**  
**The Stow Hill Bible and Tract Depot,**  
**2, Upper Teddington Road, Hampton Wick,**  
**Kingston-on-Thames.**

Alterations in the addresses of brothers responsible for the distribution of these lists should also be notified direct to the Depot.

# ENGLAND AND WALES

*The times of the meetings on the Lord's Day are known, and so are not given in this List. Unless stated specifically, the time of the Ministry Meeting is the same as that of the Reading. A 'City Reading' is indicated by the time printed in bolder type.*

*Where a meeting is not held regularly, or where inquiry is needful as to the time or place of the meeting, an asterisk (\*) is shown.*

*(Res.) indicates a private residence.*
