

**List of  
Meetings**

**1952**

## NOTE.

In many cases, the times of meetings are likely to be altered to suit the hours of daylight; inquiries should therefore be made.

Earnest requests have been made that letters of commendation should have the name and full address of the Room in which the person commended is meeting, as well as the one being visited.

It is preferable that all communications may be by letter, not by postcard.

Alterations to be included in the next issue must be received by the end of the year.

Applications for information as to meetings abroad, and addresses of brothers in any meeting, also notices of alteration in addresses and times of meetings and addresses of brothers (which it is requested may be promptly notified), should be addressed to—

W. H. TROWBRIDGE, 66, BEACON ROAD,  
LOUGHBOROUGH, LEICS. (Tel.: 3052)

*In places where there is more than one meeting, the Lord's Day afternoon reading is held in some cases at different Rooms. In other instances the reading or gospel on Lord's Day is not held regularly—these are marked with an asterisk. In both cases inquiry should be made.*
