Dear Bro. in Christ

I enclose copy of our decision regarding the J. Wells trouble, for you & the Assn at Toronto.

Mr. Hiscock, one of the 2 Bros. who refused it, being tenant of the Room, gave out that he would hold it for those who agreed with him in the refusal of J. Wells. For 2 Lord's Days he maintained this position & on each occasion, we said we could not thus break bread. On the first occasion

Six Sisters broke bread with
the 2 Bros. & there are a few
other Sisters agreed with them.

After looking together to the
Lord, we felt we could not
continue to go, & so last
Lord's Day (Feb 13) we broke
bread together in the Valentinia
R2 Room.

Trusting the Lord may
give the saints at Toronto
& elsewhere in Canada to
be at one with us in the
decision we have come

to in the Ass's, & with
love in the Lord,

Affects you in Him
W. Hubert. S. Fosberg.
